

This form can be used to submit your initial application budget and any subsequent budget revisions.

Detailed instructions for this form are available on our website at www.arts.gov/manageaward. Unless you are informed otherwise, you must match the National Endowment for the Arts funds dollar for dollar.

- All costs included in this budget, whether paid for with National Endowment for the Arts (NEA) funds or your cost share, must be directly allocable to the project activity, allowable, and adequately documented per the General Terms and Conditions. Actual, allowable expenditures must be reported on all payment requests and financial reports.
- Only include costs expected to be incurred within the period of performance, which can begin no earlier than the earliest allowable start date noted in the guidelines for this NEA funding opportunity. Costs such as salaries, wages, fringe benefits, and administrative overhead may need to be pro-rated to reflect this period.
- Provide a detailed breakdown of any large line items.
- For equipment, clearly note items to be rented or leased versus those to be purchased. For purchases, you must provide specific written justification for items with a unit value of \$5,000 or more, and a useful life of more than one year.
- Do not include unallowable costs such as receptions/parties, alcoholic beverages, cash prizes, construction, visa fees paid to the U.S. Government, unspecified foreign travel, or miscellaneous.
- **Unallowable costs cannot be supported with NEA funds OR with matching funds.** Learn more about unallowable costs in the How to Manage Your National Endowment for the Arts Award and eGMS Reach Handbook.
- This budget cannot include overlapping project costs with any other Federal award, or include matching funds originating from a Federal source.

If you are revising your initial application, consider streamlining your project budget to help ease your administrative burden associated with managing a Federal award. See the Project Description block on the next page for more information. Form begins on next page.

IMPORTANT: All changes are subject to National Endowment for the Arts approval.
