Step 3: Complete and Attach Required Items to the Attachments Form

The "Attachments Form" is not a form in the conventional sense. Rather, it is a place to attach documents that you have completed and saved elsewhere on your computer.

- All attachments are documents (e.g., narratives, lists) that you will develop in accordance with the instructions provided. **These items must be submitted as PDF files.**
 - Do not create PDFs of your electronic documents by scanning. **Do not embed non-printable media files (video and/or sound) in your PDF documents. Static images (e.g., pictures) are acceptable.** Do not enable any document security settings or password-protect any PDF file you submit to us.
 - No attachment should be more than 2 MB.
- For non-form documents, label pages clearly with the name of the item (e.g., Staffing List) and your organization's legal name. Leave a margin of at least one inch at the top, bottom, and sides of all pages. **Do not reduce type below 12-point font size.** Do not type in all capital letters. Number pages sequentially; place numbers on the bottom right hand corner of each page. Excess pages will be removed and will not be reviewed.
- **Name your files as indicated below and attach them in the proper order.** Limit file names to 50 characters and use only the following characters when naming your attachments: A-Z, a-z, 0-9, underscore (_), hyphen (-), space, and period. You cannot change the name of a file on the Attachments Form. Therefore, please make certain that each file is named correctly **before** you attach it. **Your organization name (or acronym) must be included in each file name** (e.g. "ABCArtsCouncilStaff").

When you open the Grants.gov Attachments Form, you will find 15 attachment buttons. By clicking on a button, you will be able to choose the PDF file from your computer that you wish to attach. Attach the proper file to the proper button as listed below.

The required documents in Step 3 differ for ON-YEAR and OFF-YEAR applicants. Please refer to the chart at the beginning of these instructions, and/or follow the prompts below related to each document.

A. PLANNING PROCESS

Items with an asterisk indicate information required by Section 5(g) of the National Endowment for the Arts' legislation.

1. Describe your organization's **most recent planning process**, including:

**Partnership Agreement Grants: National Services
FY24 Application Instructions**

- The design and structure of the process;
- Efforts undertaken to engage member state arts agencies;
- Efforts undertaken to include a wide range of constituents in the planning process, such as but not limited to artists, arts organizations, educators, state agencies, community groups, disability groups, businesses, municipal and tribal governments;
- How members/representatives of underserved groups/communities were involved in the planning process;
- The efforts your organization made to engage constituents through a variety of means such as public meetings*, surveys, interviews, virtual engagement, and digital communications as relevant to various constituent groups*.

Any discussion of reaching and serving underserved communities should identify those constituencies your organization considers underserved and describe your efforts to engage those communities. If your organization has determined that there is an underserved group or community, please indicate whether there is any empirical research, studies, or data supporting that determination.

2. Summarize the **recommendations* and priorities** for your plan that resulted **from the public meetings*** and other forums.
3. Describe your **organization's response to these recommendations***, and the way in which the response was communicated to the public – including but not limited to references in the plan.
4. Describe how the planning process was informed by **metrics** or other relevant information (e.g., program and/or organizational evaluations) used to **measure your organization's progress** in achieving its progress in relation to the plan.

Also, describe how those served, including underserved groups, are included in the evaluation process, how outside experts are involved in your evaluation activities, and any changes that your organization plans to make to its programs and services based on this information.

5. Provide here a link to your **Strategic Plan**.
If your discussion of accomplishments relates to an earlier plan, provide here a link to the **earlier** plan as well.

If you have a **work plan or program implementation plan** developed to complement your Strategic Plan, also provide a link here.

If you are providing links to more than one plan, identify which Strategic Plan the implementation plan complements.

Without reiterating your plan, which reviewers will see in full, briefly describe your organization's **priorities** for the upcoming three-year period (i.e., until the next time your organization is designated as on-year and up for full application review), and the leadership your organization is undertaking to achieve those outcomes.
2. Describe your organization's **most significant programs, activities, and accomplishments** in relation to your current or most recent strategic plan. **Organize your descriptions by the goals and objectives of your strategic plan.**

Additionally:

- Describe how each program, activity, and special initiative responds to constituent priorities and/or a changing environment.
- Describe those programs and special initiatives in which your organization has exercised exemplary leadership.
- Describe any public and private partnerships that enable you to deliver these programs and initiatives and the role played by your organization.

3. Program budget allocations

On the last page of your narrative, provide a one-line description of each of your organization's categories, programs, or initiatives for the first fiscal year of the proposed agreement. Include:

- **Budget \$ Allocated: Partnership Agreement ONLY**
 - These are budget projections for the FY24 Partnership agreement, including both NEA funding + Required Cost Share dollars.

Step 4: Submit items electronically through Grants.gov

Be certain that you are satisfied with your application before you click submit. **No revisions are possible through Grants.gov once submitted. After submission, the only way to update items in your application is to create a new application. The NEA will only review your most recently submitted application.**

We strongly suggest that you submit your application *well before the deadline* to provide ample time to resolve any problems you might encounter.

1. Check the size of your electronic application. The total size should not exceed 10 MB.
2. Navigate to the **Forms** tab on the **Manage Workspace** page:
 - Once the forms are filled out and the **Form Status** column says "Passed," they will be ready for submission.
 - **Important note:** The status "Forms Passed" does NOT indicate that your application has been submitted, only that your forms have been filled out. You still need to click the Sign and Submit button after receiving the "Forms Passed" status. For more information, review the [Forms Tab](#) help article.
 - Click **Complete and Notify AOR**, which will notify the user(s) with the AOR role that the workspace is ready to submit.
 - The AOR must click **Sign and Submit** to submit the application. Detailed instructions can be found [here](#).

After the AOR submits the application, they will see a confirmation screen explaining that the submission is being processed. **Take a screenshot and retain the Grants.gov Tracking Number that you receive in the application submission confirmation screen.**

3. **Verify that the application was *validated* by the Grants.gov system.** Take a screenshot of the validation confirmation for your records.

You can track the progress of your application submission through Grants.gov in one of three ways:

- Check the [progress bar](#) in Workspace. When your application has been successfully received, the bar will be green, and a check mark will appear in each bubble.
- When logged in to Grants.gov, click the Check Application Status link under the Applicants drop-down menu and search for the submitted application.
- When not logged in to Grants.gov, go to [Track My Application](#) and enter your Grants.gov Tracking Number. Then click the Track button to see the status listings of the valid tracking number entered. This function will only work if you have a tracking number.

For more information about checking Grants.gov application status and a complete list of statuses, see [here](#).
